Step Toward
Connecting At MRCC:**

Growth Track is our four-step process that is designed to help you take next steps in your relationship with God and reach your full potential.

Step One – Membership - you'll hear some of the ins and outs of our church, details about our beliefs, leadership and church government, how we handle money, and how we intentionally organize our church.

Step Two – Essentials - Learn how to develop habits of spiritual discipline that will help you grow in intimacy with God and community with fellow believers.

Step Three – Purpose - (Next Sunday, April 28), you will discover the unique gifts and talents that God gave you to fulfill the specific purpose He has for your life. You will learn more about how your spiritual gifts and personality can point you toward your future and allow you to make a difference in the world.

Step Four – Team - Connect with our team and join the serve area that best fits your interests and abilities.
